ROOM TO BREATHE

After the holiday weekend clears, July is an invitation to slow down, look up, and live a little more intentionally.

WE START THE MONTH with a bang. The flags go up, the grill comes out, and for one long, unhurried weekend, the whole country seems to exhale together. Ahhhh... summer. What follows the Fourth is equally worth savoring. July has a way of creating breathing room that the rest of the year rarely allows. With school

on a break, the carpool line dormant, and the calendar mercifully clear of practices and recitals, there is finally space to be present in your own life. To notice the yard. To finish a project that's been waiting. To spend an evening doing exactly what you feel like doing.

That breathing room is worth protecting. The best version of summer isn't necessarily the busiest one. It's the one where you completed a project, visited with neighbors, or simply enjoyed an outing without rushing to the next thing. July invites us to look up from the routine and pay attention to the texture of everyday life, and this issue of *Stroll Providence Country Club* is designed to help define and refine what it means to be intentional. It offers a chance to design that kind of summer. To choose to slow down and to invest in spaces and habits that give back as much as you put in, developing an adjusted routine and a personality-packed home that feels as good as it looks.

We hope these pages inspire you to make one small, intentional change this season, even if it's simply the way you spend some summer downtime. The good life doesn't require a grand gesture; just a little intention.

As always, thank you for spending your summer with us.

THE Schreiberman

FAMILY!

A Story of Community,
Connection, and Coming Home

PHOTOS BY EMMA LOO PHOTOGRAPHY

Some stories begin with a carefully crafted plan. Others unfold through unexpected twists, meaningful relationships, and a willingness to follow your heart and embrace wherever life leads.

For Philip and Renee Schreiberman, their love story started as teenagers. Renee grew up in Raleigh, while Philip was born and raised in the Queen City of Charlotte, but they met through the B'nai B'rith Youth Organization (BBYO), a Jewish youth group that brings Jewish teens together locally and nationally. With BBYO, Renee visited Charlotte frequently for events and conventions, and the two discovered many mutual friends, who remain friends to this day.

Renee attended Meredith College, where she earned a Bachelor's degree in Psychology. Philip attended NC State University, graduating with a degree in Philosophy and aspirations of attending law school but life, and love, had other plans. Though they met in high school, their love story did not fully begin until after college.

Their relationship quickly became serious after college, and they began to plan their future together. Shortly after getting married, the couple left Raleigh and moved to Charlotte so they could be closer to family during an important season of life while Philip's father was battling advanced Parkinson's disease. It didn't hurt that, being from Charlotte originally, Philip was already convinced that Charlotte would be a terrific city to raise their family.

That decision shaped the future of their family in countless ways.

For nearly 15 years, the Schreiberman's lived in Stone Creek Ranch. Having been raised in Raintree, Philip had particular preferences for where in Charlotte he would build a home literally and figuratively, and Stone Creek Ranch provided the quality of life, proximity, and comfort he wanted. The Schreiberman's built friendships, raised their children, and became deeply rooted in the South Charlotte community.

A growing family soon resulted in the need to find a larger home- and the chance to move into Providence Country Club (PCC) and remain in South Charlotte was a dream come true in so many ways- but the timing couldn't have been more memorable for other reasons.

March 2020 - They found out their offer on a home in PCC was accepted on their dream home - within two weeks of that news, the world shut down. What was supposed to be a season of neighborhood introductions and settling in quickly became a crash course in pandemic life, virtual school, remote work, and navigating uncertainty together.

"We moved into our forever home and then immediately found ourselves sheltering in place," Renee recalls. "It was definitely a wild ride" which included hazmat-suit renovations, driveway pickleball, lots of gardening, driveway fitness, and long neighborhood strolls.

Thankfully, Providence Country Club turned out to be everything they had hoped it would be. Over the years, neighbors became friends, friendships deepened, and the community truly became home.

Today, the Schreiberman's are enjoying one of life's busiest and most rewarding chapters.

Their oldest son, Asher, is a rising senior at Ardrey Kell High School who rarely sits still. Deeply involved in both school and community life, Asher serves in student government, is Co-Vice President of the International Thespian Honor Society, a National Honor Society inductee, and Vice President of his local BBYO chapter. He also happens to be a reporter for this very publication, Providence Stroll. When he is not leading meetings, covering local stories, or participating in school activities, you will likely find him mountain biking throughout Charlotte's trail systems.

Mayer, a rising freshman at The John Crosland School, is unique in so many ways. A dedicated athlete, he plays competitive soccer with Charlotte Soccer Academy as a speedy winger. When he is not on the soccer field, you will likely find him leading the wave at Charlotte FC games, following basketball, spending time with friends, or doing what most teenagers do best, gaming.

Then there is Sadie Pearl, affectionately known to many as "SP."

A rising fifth grader at Rea Farms STEAM Academy, SP is the family's

entertainer, director, and resident beauty influencer all rolled into one. She loves singing, acting, tumbling, and confidently sharing her opinions, especially with her brothers. In her free time, she can often be found watching makeup and skincare tutorials on YouTube, practicing for what may one day become a career on Broadway, in beauty, or perhaps both.

Of course, no family profile would be complete without mentioning Ryder.

The family's new mini Bernedoodle has quickly become the center of attention, bringing puppy energy, entertainment, and playful shenanigans to the household. Whether he is joining family walks around the neighborhood or finding creative ways to keep everyone on their toes, Ryder has made himself an indispensable member of the family.

Professionally, Philip and Renee are equally passionate about helping others navigate change and growth. Philip works in Change Management at BASF, helping businesses successfully adapt and evolve in a rapidly changing world. Renee works with Compass Group in the healthcare sector, partnering with healthcare organizations to enhance experiences for patients, caregivers, and communities.

While careers and activities keep everyone busy, family traditions remain at the heart of the Schreiberman household.

Family dinners together are a priority and foundation of the Schreiberman family. Friday evenings often revolve around Shabbat dinners, while most other days the family spends dinner time connecting and sharing stories of the day's events. The family also enjoys attending Temple and values the strong sense of community and tradition that comes with their faith.

"One of the greatest blessings is having so much family nearby."

—RENEE SCHREIBMAN

Summer is not complete without the kids heading off to one of their favorite sleepaway camps for the month and their annual trip to Hilton Head, a tradition filled with beach days, bike rides, family laughs, and memories that grow richer with each passing year.

One of the greatest blessings, they say, is having so much family nearby. Grandparents, cousins, aunts, uncles, and relatives all live within a few miles, which means family gatherings are frequent, support is always close at hand, and there is rarely a shortage of people around the table.

As the Schreiberman's look ahead, they know exciting milestones are approaching. College applications, high school adventures, middle school memories, elementary school celebrations, and all the beautiful chaos that comes with raising three very different and very wonderful children.

Yet through every season, one thing remains constant: a commitment to family, community, and showing up for the people they love.

For Philip and Renee, Providence Country Club is more than just the neighborhood they always hoped to call home. It is the place where lifelong friendships continue to grow, where their children are creating their own stories, and where a dream that began many years ago has become the backdrop for some of life's most meaningful moments.

And if you happen to spot a mountain biker flying down a trail, a soccer player heading to practice, a future Broadway star giving directions to her brothers, or a Bernedoodle puppy making new friends, chances are you have just met a member of the Schreiberman family.

PHOENIX DENTAL

Redefining the Dental Experience in South Charlotte

Combining advanced dentistry, personalized care, and a welcoming atmosphere, Phoenix Dental is helping patients overcome anxiety and achieve healthier, more confident smiles.

When it comes to exceptional dental care, few practices embody the perfect balance of clinical excellence and personalized service quite like Phoenix Dental. Located in the heart of South Charlotte at 10949 Old Ardrey Kell Road, Suite 202, Phoenix Dental was founded with a vision of creating a modern, patient-centered dental experience that prioritizes comfort, trust, and long-term relationships.

Leading the practice is a Charlotte-area native whose journey into dentistry began from an unexpected place—the patient chair. Growing up in Bessemer City, North Carolina, frequent dental visits sparked a fascination with the profession and the profound impact dental care can have on a person's confidence and quality of life. That curiosity evolved into a calling, leading to more than 1,000 hours of shadowing healthcare professionals before earning a Biology degree from Western Carolina University, a Master's in Medical Sciences from Mississippi College, and ultimately a Doctorate of Dental Medicine from East Carolina University.

After several years practicing as an associate dentist, the dream of opening a boutique dental practice became a reality. Phoenix Dental was established to offer something increasingly rare in today's healthcare landscape—a relationship-driven practice where patients receive highly personalized care in a comfortable, welcoming environment.

What truly sets Phoenix Dental apart is its commitment to serving patients who experience dental anxiety. Every aspect of the practice has been intentionally designed to help patients feel at ease, from the calming atmosphere to the clear, compassionate communication style. The team understands that many individuals have postponed treatment due to fear or past experiences, and their mission is to create a different kind of dental visit—one built on trust and understanding.

In addition to creating an exceptional patient experience, Phoenix Dental offers comprehensive treatment options under one roof by investing in advanced technology and ongoing education. This

approach allows patients to receive high-quality, convenient care while maintaining continuity with a provider they know and trust.

Community involvement is also a cornerstone of the practice. Phoenix Dental proudly supports local initiatives, including an annual golf tournament benefiting the Special Olympics, where they ranked among the top contributors in North Carolina. The practice has also partnered with organizations such as the Boys & Girls Club and childcare centers serving underserved communities throughout Charlotte.

For Phoenix Dental, success is about more than healthy teeth. It's about

helping patients overcome fear, restore confidence, improve overall health, and feel genuinely cared for throughout the process.

Their advice to the community is simple: don't delay dental care. Small issues are easier, more comfortable, and more affordable to treat when addressed early. Equally important is finding a provider who treats you as an individual and takes the time to understand your goals, concerns, and overall well-being.

At the end of the day, Phoenix Dental's mission is clear: deliver advanced dentistry with intention, integrity, and compassion while creating an experience that feels personal rather than procedural.

For Phoenix Dental, success is about more than healthy teeth. It's about helping patients overcome fear, restore confidence, improve overall health, and feel genuinely cared for throughout the process.

On the second Friday of every month from 9–11 AM, local officers will be at Ballantyne Summit Coffee to connect, mingle, and build meaningful relationships with our community. These gatherings offer a simple yet meaningful

way to connect- sharing a cup of coffee while building trust and understanding between Charlotte-Mecklenburg Police Department (CMPD) officers and the neighbors they serve.

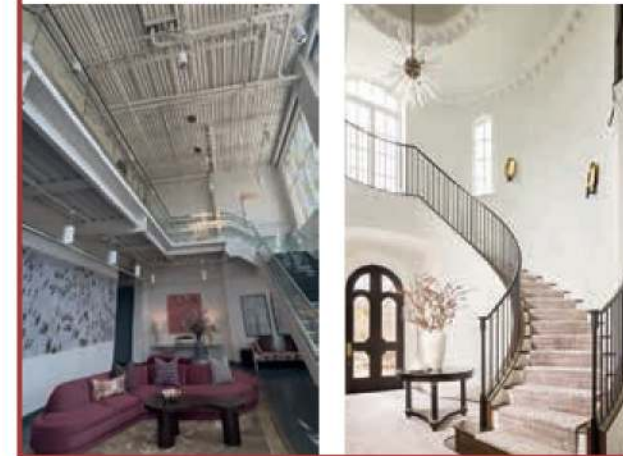

Coffee with a Cop creates space for open dialogue in a relaxed setting, where residents can ask questions, voice concerns and get to know the officers who help keep our community safe.

Come show your support and get to know our local heroes.

MEET THE PADGETT PACK!

Meet the Padgett Dachshund Trio

Hershey • Daisy • Lucy

Three sisters. Three personalities. One unforgettable pack.

BY NANCY STENERSEN

If you've ever walked past the Padgett home, you've likely seen some very enthusiastic furry spectators cheering you on. This month, we are shining the spotlight on Tonja and Scott's three beautiful dachshunds: **Hershey**, **Daisy**, and **Lucy**.

While they all share those iconic short legs, these three sisters couldn't have more different personalities! Let's get to know the trio (whose only real nicknames are simply adding "Girl" to the end of their names).

MEET THE TRIO

Hershey Girl is the 11-year-old matriarch of the family. This beautiful long-haired miniature dachshund is cuddly, sweet, and completely chill. Hershey loves her beauty sleep and can routinely be found snuggling in the bedroom until 10:00 AM. While she loves her whole family, her absolute favorite human is her brother, Matt.

Daisy Girl is a 9-year-old tri-merle beauty who brings the high energy to the household. She is incredibly athletic, rambunctious, and loves to jump. When she isn't burning off energy, her favorite spot to rest is perched right on the back of the sofa. Daisy is especially bonded with her human sister, Emily.

Lucy Girl is the baby of the family at 6 years old. She is an English Cream teacup dachshund. Lucy is a sassy, needy, and slightly anxious little pup who loves to sleep on a blanket, fully stretched out on top of her owners' legs. Though she was originally supposed to be Tonja's dog, she completely lost her heart to Scott!

Family Ties: Fun fact! Daisy and Lucy are actually cousins and share the same grandparents.

BEHIND THE SCENES: WIENER DOG SHENANIGANS

Life is never boring with three dachshunds. The Padgetts shared a few hilarious insights into what their girls get up to when they aren't keeping watch over the neighborhood:

- **Daisy the Food Thief:** Don't leave your plate unattended! Daisy once boldly jumped right onto the coffee table and cleared out an entire spread of appetizers. More recently, when Tonja wasn't feeling well, Daisy decided to help herself to a sip of her comforting soup.
- **Hershey the Night Owl:** While she loves to sleep in, Hershey turns into a fierce hunter at night. Once she is let out, she goes on a mission to hunt rabbits and refuses to come back inside!
- **Lucy's "Helpful" Hunting style:** Lucy prefers day shifts. She watches for squirrels from the sunroom and begs to go out. However, once she gets out there, she completely forgets about the squirrels and just bumps into her sisters, disrupting the whole chase. Oh, and if she doesn't like you? Expect a sassy snort!

THE ULTIMATE GOLF FANS!

If you play a round of golf nearby, you might just get some extra motivation from the Padgett backyard. All three dogs are absolutely fascinated by golf. They love to watch the players, welcome them to the course, and will happily act as the ultimate champions of your golf game.

Next time you pass by the Padgett home or play a round nearby, be sure to wave at Hershey, Daisy, and Lucy — the neighborhood's most dedicated dachshund trio.

CHARLOTTE MECKLENBURG DREAM CENTER

Meet the pursuits behind Noble Food & Pursuits

AT THE HEART OF CHARLOTTE'S

mission-driven community stands the Charlotte Mecklenburg Dream Center, a place transforming lives through the power of the Gospel. The Dream Center serves as a hub for outreach, support and connection, offering programs that meet people exactly where they are while restoring dignity and empowering individuals to dream again.

For 12 years, volunteers have shown up consistently through Adopt-A-Block, building trust in local neighborhoods and forming meaningful relationships. The Dream Center's Food Market and street outreach programs address food insecurity while creating opportunities for conversation, care and connection. Youth and children find encouragement through Kidz Jam and YTH Night, where safe environments support growth, mentorship and faith development. At the core of the Dream Center's long-term impact is its Discipleship Program — a transformative, year-long journey for individuals facing homelessness,

addiction or instability. Participants receive housing support, counseling, spiritual formation and job training, creating pathways to sustainable independence.

Behind this vision, is the broader Noble Food & Pursuits (NF&P) family, a collection of purpose-driven ventures rooted in generosity, hospitality and service. Founded by Jim Noble and the belief that business can be a force for good, NF&P measures success not only by excellence but by impact. Its history reflects a deep commitment to nourishing both body and soul through feeding initiatives and workforce opportunities.

The Charlotte Mecklenburg Dream Center is a natural extension of that mission. The same heart that created welcoming spaces around the table now fuels programs designed to strengthen communities. Participants in the Discipleship Program gain hands-on work experience through NF&P restaurants, blending skill development with accountability and purpose.

Dream Center Church provides the spiritual foundation that sustains this work. Through worship, teaching and community, the church and Dream Center function hand-in-hand — one meeting immediate needs, the other cultivating lasting transformation.

Recently, the Dream Center received a \$2 million grant from the City of Charlotte to expand its Discipleship Program. Residents receive safe housing, individualized case management, life skills training, financial coaching and workforce development through NF&P. The grant will increase housing capacity, enhance programming and support more individuals pursuing a fresh start, a critical expansion as housing costs rise and shelters remain full.

From years of consistent outreach to a bold vision for housing, the Dream Center's mission remains the same: walk with people, meet needs and restore hope, one life at a time.

Types of Articles You Will See in Stroll Providence Country Club

*Calling all residents... We
want to hear from you!*

Since this magazine is all about you and your neighbors, we want and encourage your involvement! We are looking for several types of articles to be submitted each month, *and we work a couple of months in advance*. Please take a few minutes to get acquainted with the types of articles we normally include. If you have any other article or story suggestions, I'd love to hear from you!

If you or a family member would like to be featured in any of the stories, please email Leda at Leda.newman@n2co.com for more information.

PICTURES – We love pictures! Neighborhood events, parties, graduations, family events, kids playing, holiday gatherings, and more! One of the best parts of your new community magazine is the involvement of neighbors. Pictures are an easy way to help support the look of the magazine, as well as bring smiles to your neighbors and friends. Digital photographs with high-quality capability are the way to go here – the more pixels, the better! Simply send an attachment of the pictures in an email.

NEIGHBORHOOD NEWS – Any activity going on in the neighborhood or the surrounding area such as parades, block parties, barbecues, neighborhood clean-ups, social events, book clubs, school picnics, fundraisers, pool parties, or golf events. We want to let you know what events are coming up and highlight events that have taken place!

MEET YOUR NEIGHBOR – This is where we get to spotlight one of the neighborhood families or residents each month. Each resident or family can share their story. Popular questions to answer are *How long have you lived in the neighborhood? Where is your hometown? What are your hobbies and interests? What is your passion? What is your career?* If interested, please let us know soon - this one is popular! Or if you would like to nominate a family let us know!

PRECIOUS PETS – If you have a pet and want them to be famous, nominate them for our “Precious Pets” article. Pets are our pride and joy, so let us feature yours! Past famous animals have been turtles, rabbits, birds, horses, dogs, cats, a pig, a lizard, and much more, so have fun with this one!

RESIDENT RECIPE – This is where you can let some of your cooking secrets out to the neighborhood! All that is required are the ingredients and preparation advice, but a photo is always nice, too!

ATHLETE SPOTLIGHT – Whether you are 1 or 101, a ballerina or a football player, this section is for you! Sports are a big part of most people's lives, especially in our schools, and we would like to highlight some great athletes from the neighborhood.

New Arrivals – This is a section designed to welcome new babies into the neighborhood, as well as congratulate proud parents and grandparents. Please include basic birth information along with those precious baby photos!

YOUNG ACHIEVERS – Parents, do you want another way to recognize or congratulate your kids on their sports, academics, or other activities/achievements? Use us! This should include pictures along with what they achieved. Examples include black belt, honor roll, straight A's, scholarships, state champs, volunteer work, graduation, music, theater, or simply telling them you're proud of them. It's something they can cherish for a lifetime.

TRAVEL TALES – If you or anyone you know has gone on a vacation and would like to share their experience, then this is the place to be. We've seen some great photos, so please do share the backstories! This gives your friends and neighbors the chance to feel your experience and see if it would be a good fit for their next vacation. Pictures are always a favorite feature, as well.

VOLUNTEER SPOTLIGHT – We want to recognize the hardworking volunteers of the neighborhood. This is a chance to let others know about your passion for an organization and a chance to bring awareness to the cause or mission; plus, maybe your neighbors would want to get involved, too. Giving back to the community is a big deal, and we want to recognize you for it!
